PARNELL'S "HOLD-UP" A Restful Bath INDUCED BY WHISKEY

Police Theory as to New Haven Train Robber Upheld by

Charles S. Parnell, who ran amuel with a revolver on a Boston express of the New York, New Haven and Hartford Railroad on Saturday and wounded two men and a woman, was indicted to-day by the Grand Jury of Bronx County. Three counts were found against him, felonious assault on Mrs. Bessie Thoreson, of No. 354 Five men and two women were Cary avenue, West New Brighton, The indictments were immediately handed up to Supreme Court Justice

Brady. Dispatches from Springfield, where Parnell's wife and his two children live with her parents, confirm the belief of the police that whiskey, and not cocaine, was the inspiration for Parnell's crazy attempt at train robbery. She said that she left him in the middle of May because of his heavy drinking and his careless use of frearms, of which, she said, he kept

We Make a New Record Every Day

GOOD SERVICE Gas has been in use in this city ninety-one years, and during that time the supply has never failed to meet the demand. The Gas supplied has always been of the highest quality. Not willing to stand on that record alone, we seek each day to excel the previous day's record for good service.

IN THE HOME We are constantly installing ranges of various sizes that insure cool kitchens during the summer months. Gas cooking utensils are economical in the use of Gas. Any housewife will be given free cooking lessons in her home by one of our demonstrators.

HOTELS, RESTAURANTS The efficiency of hundreds of kitchens in Hotels, Restaurants, Clubs, Bakeries, etc., etc., has been increased by the adoption of Gas for cooking and baking. Our appliances save floor space; they save the time of the chef and his assistants. With our fuel there is heat only while cooking is in progress, and then the heat is in the range, where it is serving its purpose.

IN THE INDUSTRIES Manufacturers now know that Gas is unequaled as a fuel in every line of industrial endeavor. It furnishes heat at any desired temperature. It is always ready. We have appliances for use in nearly every manufacturing line and our experts are at your service. You can show economy in cost prices by substituting Gas for the fuel you are using. Let us help you make a record in lower operating costs.
